2. The employer shall file the report with the Commission upon its receipt.

6. The annual information return required under subsection 4 of section 18 of the Act in respect of every registered pension plan shall include,

7.—(1) Every pension plan shall be deemed to be solvent if it is fully funded or provisionally funded.

14. Where a pension plan has provision in effect on the 1st day of January, 1965 for the payment of a supplemental or minimum make-up annuity that is not on the average a substantial portion of the total annuity of employees retiring under the plan, the supplemental or minimum make-up annuity may, with the approval of the Commission, be excluded in computing the pension benefit.

15.—(1) This section applies notwithstanding the provisions of any pension plan or any instrument governing the plan.

2. This subsection shall be deemed not to enlarge the authority conferred by subsections 1 and 2 of section 63 of the *Canadian and British Insurance Companies Act* (Canada) to invest in mortgages or hypothecs and to lend on the security of real estate or leaseholds, and not to affect the operation of sub-paragraphs iii, iv and v of paragraph 1 of subsection 1 of the said section 63.

- (d) the wife or child of an employee of the employer or an employee of the employer except on the security of a mortgage on residential real estate.

(6) The funds of a pension plan shall not be invested or loaned if the result of the investing or loaning would be that more than 10 per cent of the book value of the total assets of the fund are invested in the assets of or loaned to any one corporation, partnership, association or person, including investment in shares, bonds, debentures or other evidences of indebtedness, loans by way of mortgage or otherwise and investment in real estate, plant or equipment occupied or used by the corporation, partnership, association or person.

(7) All investments and deposits of the funds of a pension plan and all loans made out of a pension fund shall be made in the name of the fund or plan, and no officer or employee of the fund or plan, no trustee or administrator or officer or employee thereof, no employer, officer or employee thereof, no association of employees and no union, officer or employee thereof shall accept or be the beneficiary of, either directly or indirectly, any fee, brokerage, commission, gift or other consideration for or on account of any loan, deposit, purchase, sale, payment or exchange made by or on behalf of the pension fund.

(11) Where, on the date the fiscal year of a pension fund ends next following the 4th day of August, 1964, the loans and investments of a pension fund do not conform in whole or in part to the provisions of this Regulation, they shall be brought into conformity within five years of the end of such fiscal year.
